Green Thumbs
4-H Garden Club

If you like to be outside, be active and help others, then ……this is the Club for you!

The Green Thumbs 4-H Garden Club is for kids age 8 thru 18 that like to be outside, be active and help others. We will be meeting three times a week to have fun as we take care of the fruits and vegetables we plant. Part of the produce harvested will be donated to a local food pantry to help others in need and the remaining produce will be for youth participating in the garden club to take home and share with their family. Youth are invited to join us for one or more of the meetings each week.
