Join the fun with fuzzy bunny rabbits! Learn how to handle, feed, groom and perform vet checks. Learn what things are healthy and edible in your yard. Learn how to use their manure to grow the most gorgeous and healthy flowers and vegetables. Enter your veggies into the fair as well. Kids who choose to enter meat pens will be guided on breeding, care and show.

Owning a rabbit is not mandatory. We have rabbits that can use a new temporary owner for showing at the fair. If needed our group will help with building housing for your rabbit if you decide to adopt. Our club also has a scholarship program for new members if needed.
