Create a Catapult!

Figure Out How it Works!

Learn about Pneumatics!

Learn Basic Engineering! Build Confidence!

You will learn how to use everyday materials to create and build a catapult and a moveable arm using pneumatics.

For ages 8-12. Space is limited. Preregister online at go.illinois.edu/dmp by July 1.

Cost: $5 for 4-H Members | $10 for Non-members

Participants will leave with a project that they can exhibit at the 4-H Show. Participants do not have to be enrolled in the 4-H Robotics Project to attend.

For more information, contact Samantha at 217.877.6042 or skgibbon@illinois.edu.
