University of Illinois Extension’s Four Seasons Gardening program focuses on environmental stewardship, home gardening, and backyard food production.

- Attend at your local Extension office.
- Attend online from wherever you have internet access.

### A Garden Calendar

April 17 at 1:30 PM CDT
April 19 at 6:30 PM CDT

Join Extension Horticulture Educator, Ron Wolford, as he discusses month by month tips and tricks for the home gardener.

### Living with Japanese Beetles

May 1 at 1:30 PM CDT
May 3 at 6:30 PM CDT

Japanese beetles are one of the most destructive ornamental pests found in Illinois, and unfortunately they’re here to stay. Join Extension Horticulture Educator, Ken Johnson as he discusses Japanese beetles, as well as ways you can manage them in your own landscape.

### Preserving Flowers

May 15 at 1:30 PM CDT
May 17 at 6:30 PM CDT

The beauty of a flower in bloom is a fleeting pleasure. Join Extension Horticulture Educator, Alicia Kallal to learn several techniques you can use at home to preserve flowers and foliage for long-term enjoyment.

**Watch at an Extension Office**

Contact one of the offices listed on the right to register to watch in-person during the Tuesday at 1:30 PM session.

**Join the webinar from the comfort of your home computer!** Register to receive all instruction and materials you will need to join the program at [go.illinois.edu/4seasons_webinars](http://go.illinois.edu/4seasons_webinars)
