# Grain Fumigation Training and Testing

**March 2**

**9 A.M.**

**Okawville Community Club Building**

**511 South Hanover**

**Okawville, Illinois**

- If you are a certified pesticide applicator and plan to use grain fumigants on your farm, you must pass the private grain fumigation test.
- This is the only grain fumigation training and testing offered in southern Illinois.
- Training starts at 9 A.M. with testing immediately following.
- There is a \$30 fee for training.
- Taking advance registrations now!
- Study materials can be ordered through your local U of I Extension office.

**Register for this training/testing clinic at your local U of I Extension office, or call 618-327-8881.**
