4-H SPECIAL INTEREST CLUB

## SPIN VOLUNTEER QUICK GUIDE TO PYD

### ***4-H is built on a foundation of Positive Youth Development (PYD).***

Positive youth development helps young people become competent, confident, connected, caring people of character.

4-H helps young people develop leadership skills and a sense of responsibility. Through 4-H, they gain confidence and skills. 4-H prepares them for their future.

That kind of impact doesn't happen by chance. 4-H volunteers and programs work to provide elements of Positive Youth Development called **BIG M**. Young people need

- **B**elonging
- **I**ndependence
- **G**enerosity
- **M**astery

Young people want to feel like they belong. To develop a sense of **Belonging**, they need a safe emotional and physical environment. And they need a positive relationship with a caring adult. That's where you come in as a SPIN volunteer.

**Independence** allows young people to dream of a bright future and have the confidence that they can make that happen.

A spirit of **Generosity** allows youth to serve others and make their community a better place to live.

**Mastery** is especially important for SPIN clubs. Young people join SPIN clubs because they want to learn about a topic and develop new skills. SPIN volunteers help young people achieve Mastery.

**BIG M** is an important part of 4-H. It's an important part of the work you will do as a SPIN volunteer.
