4-H Club Challenge Support Getting 4-H License Plates on the Road -- The Illinois 4-H Foundation has launched a campaign to promote the 4-H License Plate. They need 1,500 commitments before production can begin. This is a great opportunity! The license plate will not only give more visibility to 4-H clubs and the 4-H organization, but it will also serve as an ongoing fundraiser for Illinois 4-H youth programs. Each 4-H club is challenged to find 10 people who will fill out the form and contribute $25 to make 4-H license plates a reality in Illinois. If a club successfully meets this challenge, members will be invited to the Director’s Lawn at the 2011 Illinois State Fair to receive a certificate and be recognized. Included are free gate admittance and free ice cream! Clubs that go above and beyond the minimum challenge will be eligible for one of three prizes that will be awarded to the top clubs in three categories based on club size. 4-H members from these three clubs will also be invited to be a part of the official 4-H license plate unveiling event. Steps: Fill out a form with your license plate number, your contact information, as well as county and club affiliation specified for the club challenge. Include a check for $25 made out to “Illinois Secretary of State” (which goes toward the 4-H program). Mail to: Illinois 4-H Foundation, 1401 S. Maryland Dr., 106 Taft House, Urbana, IL 61801. The last day to mail in contributions and forms to qualify for the challenge is July 15, 2011.

Materials for the club challenge are available in the Pike County Extension office.

Cloverbud Salute—Tuesday August 2— All Cloverbuds are invited to participate in the Cloverbud Salute. Each Cloverbud group will have a designated space to display a sampling of their groups’ activities and recognize their members. This will be a special day just for Cloverbuds and replaces the display opportunity at the general show. Displays will not be competitively judged; premiums will not be awarded but all Cloverbuds participating will receive a ribbon.

In addition to displays, Cloverbuds and their parents will have an opportunity to participate in fun, hands-on science and craft activities. All Cloverbuds will be recognized for their participation in the Cloverbud program. Those members finishing their last year of Cloverbud eligibility will be recognized in a graduation ceremony.
What happens during the 4-H shows? Conference judging is a method of judging used at the County Home Ec. and General Project shows and the Illinois State Fair shows to increase the value of the 4-H exhibit experience for 4-H members. The judge may offer suggestions about your project and ask questions, such as: *Tell me how you made this exhibit. What was the most difficult part of your project? Did you learn anything new? What would you do differently next time? Did you enjoy working on this project? What interested you in this project?* In addition, you need to be prepared at the livestock shows for questions the judges may ask you about your project.

**Illinois State Fair**-- Youth must be 10 years old as of September 1, 2010 to exhibit at the IL State Fair Shows-Jr. Horses, Jr. Livestock and General project show. Jr. Horse and Livestock show entries can be sent directly to the state fair office this year—they do not need to go through the extension office. The deadline is **July 1, 2011.** No exceptions. If named a State Fair Delegate for Public Speaking, Home Ec. Show or General Show, it is the member and their family’s responsibility to contact the Pike County Extension Office with confirmation of their exhibit participation.

Federation News--
The Pike County 4-H Federation met on May 3. The icebreaker was the Steal the Sticker game which drove Julie crazy. Chett, Madalene, Katelyn, Cassandra and Jacqueline were recognized for writing postcards to our state legislators in support of 4-H. The group discussed the Illini Summer Academies. Pike County members are sponsored by Two Rivers FS and those attending are Samantha Reis-Food Science & Human Nutrition, Billie Henry-Veterinary Medicine, Madalene Davis and Julie Mountain-Leadership. Cheri asked for volunteers to help with the 4-H Shows. The GIS Mapping project was discussed with ideas for creating a map to help families and communities better prepare for natural disasters such as tornados and flooding. Federation members had a friendly competition while playing a disaster simulation game called the Stop Disaster Game. The game simulates earthquakes, floods, tsunami, hurricanes, and fire while educating students on prevention practices. Other mapping ideas include the Lincoln sites and recreational facilities in the county. Next meeting is June 7 at 4:30. All 4-H members in 7th grade and up are welcome.

Wanted-Volunteers to help with Summer Shows/Events—
Please let us know if you can help with any on the summer events. The show schedule is attached.
