The Chicago/Cook County 4-H Foundation Scholarship gives the scholarships. The Foundation receives the money from donations given by businesses, industries, and individuals.

The funds available for scholarships each year depend on endowment and grantor amounts. The last few years we have had \$500 available for each scholarship. The amount of donations determines the number of scholarships that are given.

Recipients are expected to send a thank you letter to the donor (when known) at the time they receive the scholarships. An occasional note or letter to inform the donor as well as the Foundation would also be appreciated.
