

Dear Producer:

University of Illinois Extension invites you to the **Beef Selection & Reproduction Management Seminar** taking place January 29th, 2019, from 5:30 pm to 8:30 pm at the American Legion, Lincoln, IL.

The seminar will cover bull selection, using EPDs and physical traits in selection, and the importance of mineral nutrition and parasite control in a breeding herd. Insight into heifer development and synchronization and the importance of genetic selection.

Registration is \$10 per person, payable at the door.

Advance registration is required by calling Travis Meteer at 217-430-7030 Registration deadline is Monday, Jan. 25th.

If you have questions or need a reasonable accommodation to participate, please call the Extension Office at 217-430-7030

Sponsored by Vita-Ferm, Boehringer-Ingelheim, Zoetis 50K ABS, Illinois Angus Association, Illinois Simmental Association, and University of Illinois Extension.

University of Illinois Extension provides equal opportunities in programs and employment.
